

# Ben Renshaw

*One of today's foremost leadership thinkers*

Ben Renshaw's innovative work with leading organisations, senior executives and entrepreneurs has brought him international acclaim. He travels the world bringing out the best in people across education, government and healthcare.

## Developing Leaders

Ben runs senior leadership development programmes with global organisations designed to deliver great leadership to help achieve the company vision. Leadership development is not just about career progression. It is about the willingness of leaders to grow and be more of who they already are.

*"Ben has played an important role in shaping many of the great leaders we have in the business today. On a personal note he has supported my leadership journey as CEO and I fully recommend his approach for leaders wanting to maximise their potential."*

Richard Solomons, CEO InterContinental Hotels Group PLC

## Coaching Executives

Ben has provided executive coaching programmes across the world for top leaders focused on successful promotions and transitions, inspiring and engaging others, navigating stakeholder relationships, building high performing teams and delivering stretching targets.

*"Ben really did work a miracle with his coaching. He is exactly the right type to work with energetic, creative and opinionated leaders. I couldn't recommend him more highly."*

Sophie Turner Laing, Sky Managing Director, Entertainment, News & Broadcast Operations

## Building Leadership Teams

The only way that companies can succeed in today's complex and competitive environment is through creating teams who demonstrate great teamwork. Team Coaching creates an environment conducive to focusing on vision and priorities, and agreeing ways of working. It enables people to understand the real drivers behind why people do what they do, align on future opportunities and deepen relationships to help the team enjoy sustainable success.

*"At Heathrow we have been transforming the passenger experience through world class new facilities and collaborative ways of working. Ben has been pivotal in coaching some of our most senior leaders and teams to deliver this change and achieve their potential."*

John-Holland Kaye, CEO Heathrow

## Taking a LEAD!

Ben's latest best-selling book inspiring you to the best leader you can be. Based on twenty years of coaching top-level leaders in FTSE 100 companies such as Coca-Cola, Heathrow, Heinz, Home-Retail Group, IHG, Sky and Unilever, Renshaw infuses LEAD! with the real business at hand: how to lead with purpose and authenticity in order to increase your leadership impact.

*"The corporate world is filled with executives who have worked hard for years to reach the upper levels of management. They are intelligent, skilled, and even charismatic. But only a handful of them will ever reach the pinnacle. In LEAD! Ben Renshaw shows how in 50 concise steps you can accelerate your leadership development in meaningful ways. I encourage all executives to read this book."*

Marshall Goldsmith, author of *What Got You Here Won't Get You There*, and corporate America's pre-eminent Executive Coach
